

CHURCH OF SAINT DEMETRIOS of JAMAICA

GREEK DANCE CLASSES

The Saint Demetrios Church of Jamaica children's dance troupe strives to bring Hellenic folk arts to life through dance, an art form that demonstrates the remarkable diversity of Greek regional culture. From intricately choreographed partner dances to meticulously synchronized circle dances, the children transport audiences through the musical landscapes of the Hellenic world, from the lilting cadences of the Greek islands, the vigorous rhythms of the Pontic Greeks of Asia Minor, the regal women's dances of northern mainland Greece and a wealth of other styles in between.

Classes are taught on Saturday mornings and are offered **FREE** to members of our community.
